Welcome

The Pension & Benefits Office provides support and education for all York University employees - enabling them to make informed choices regarding all aspects affecting their pension and benefits during their employment, and when planning for retirement. We are committed to offering our services with integrity, confidentiality and objectivity. Our services extend beyond York specific and include Canada Pension Plan (CPP), Old Age Security (OAS) and transitioning from work to retirement.

Seminars and educational presentations are an important part of our offerings in Pension & Benefits. We have licensed financial advisors and other experts in their field join us to provide you with information regarding pension, benefits and a host of other related topics. We do not provide them with any personal information. They are here to inform, not to solicit your business. Should you wish to contact one of our presenters or any other financial advisor we leave that up to you.
